**AND NOW, A WORD FROM OUR PRESIDENT.....**

Hello members!

It was great to see some of you at the camp ground last month and to be able to, once again, gather together. While I am a bit of an introvert, I have found some limits to my need for seclusion, and look forward to the ability to gather more frequently. Be on the lookout for more outings, as restrictions continue to be lifted, in your messages. I hope you have all been getting out on your bikes, kayaks, and feet, and enjoying this dry Spring. Summer will be upon us soon, so enjoy the cooler weather while you can!

**We still have a few T-shirts for sale. Contact Fran Brooks if interested:

**The BRSOC has adopted a portion of the Dick and Willie Trail!  
From Spruce Street trail access to Country Club Drive is now our section of  
the trail. Please pick up any trash you may see along this section, and if you  
spot anything that needs attention, please contact HCPR at 276-634-4640.**

**FYI – For all those who like to float EGGLESTON FALLS:**  
**WARNING!**

There is a downed tree blocking the usual route through Eggleston Falls on the Smith River. The picture is a downstream view of the blockage. The sneak route on the left is clear (or at least it was today!)
